Richard,

Thanks for contacting us on this question. Jeff and I are the POCs for USACE for the FFA, so you may feel free to contact us on any matter. USACE is still working out technical support on the FFA. We will provide that information as soon as we can.

Subject: [Non-DoD Source] Bradford Island FFA

Jeff and Ann,

The EPA remedial project managers for Bradford Island, Richard Francis and Helen Botcher, are interested in knowing who their technical contact person or persons will be at the USACE for purpose of negotiation/preparation of the FFA. Would you let me know the answer to that question?

Thank you,

Richard
